HE/SHE DEMONSTRATES:

That he/she knows the ends of the Land Stewardship Organization for the Conservation of Garbancillo de Tallante, which are gathered in the Article 2^º from its statutes, as it literally states: :

Article 2. Land stewardship entity aims:

1. To take part actively in the conservation of the territory by means of the Land stewardship techniques.
2. To preserve and to improve the state of conservation of plant Garbancillo de Tallante (*Astragalus nitidiflorus*) by means of initiatives and Land Stewardship actions
3. Promotion of Land Stewardship Organization and its application in the conservation and sustainable use of natural, cultural and landscape heritage.
4. To promote the sustainable development in the rural areas
5. To foster the creation of associations, by means of the creation of a forest owners society related to rural areas (of forest owners and on the natural way)-no.
6. To collaborate with the owners of areas in which Garbancillo de Tallante is to take part in the management of the territory.
7. To promote the compatibility of traditional uses (shepherding, agriculture, ecotourism) with the conservation to Garbancillo de Tallante, in such a way that the benefits related to the presence of this species have impacts for the owners in charge of his conservation.

8. To promote Garbancillo de Tallante as identity mark for the zone, in order to promote the sustainable ecotourism, the agriculture, the ranching and the hunt, contributing with it added value to his products.
9. To promote the development and rural employment in the zones where Garbancillo de Tallante is located.
10. To promote the mutual learning of agricultural management techniques and of rural knowledge between the association of custody and the owners.
11. To spread and to raise public awareness of the municipalities of Fuente Álamo and Cartagena, as well as of the owners of areas and visitors, about the natural values and the singularity to Garbancillo de Tallante.
12. To obtain the implication of society as a whole in the conservation to Garbancillo de Tallante.
13. To recognize the role that local population and owners play in the conservation of the biodiversity and the landscape.
14. To establish a custody network with other entities, in order to stimulate the custody of the territory and the better development and activity of the same one.

HE/SHE REQUESTS

To be admitted as partner into the Land Steward Organization for the Conservation of Garbancillo de Tallante, since complies with the requirements of the article 6 of the statutes as:

- Public entity
- Private owner
- Holder of royal rights
